Invest in Transforming & Restoring Lives

Since 1912, giving partners like you have made the life-changing services of the Tacoma Rescue Mission possible.

That support has enabled the Mission to identify crucial needs and take action in providing help, hope and healing to the most vulnerable members of our community. Partners like YOU have been an integral part of transforming the lives of families and individuals across the South Sound.

Today, we're inviting you to build on that history by creating pathways for our hurting neighbors to go from surviving to truly thriving.

Partner With Us Today to Help Make a Lasting Change in our Community

God is using partners like you to come alongside our hurting neighbors with dignity, love, compassion and grace.

For this year's HopeGivers Celebration, we are inviting key partners like you to come and see the lives that have been completely transformed through your generosity. Come and see the hope. Come and see the heartbreak. Come and see the joy.

Of course seeing is just the first step. But, we know that seeing the restoration happening at the Mission will lead to more. We know that if you take that first step, you'll want to become a part of and/or invest more in this ministry and community that is dedicated to tangibly, emotionally, and spiritually loving our hurting and unhoused neighbors.

So, come to our HopeGivers Celebration and see!
