

MEET REGGIE

Reggie came to the Mission when he was at the end of his rope. Reeling from the loss of two of his loved ones. Suicidal. And hungry for food and safe community.

"I started coming to the Mission maybe two or three times a week for meals," Reggie shares. "I could always come here and feel safe and secure. It was a place where I knew I was going to be okay."

Today, Reggie is surrounded by a healing community, living in stability, experiencing restoration on his recovery journey, and on the road to a whole new life.

"[The Mission wants] to help you, they want you to eat, they want you to be a part of something bigger."

A MESSAGE FROM DUKE

A phrase
that captures
this year perfectly:
**"This is what new life
looks like."**

Every day at the Tacoma Rescue Mission,
we witness lives being transformed. Stories
of hope replacing despair, restoration
overcoming brokenness, and community
bringing healing.

When Reggie walked through our doors, he
was grieving deeply, feeling hopeless, and
searching for safety.

Through the care and support made possible
by your generosity, Reggie found a place where
he could heal, belong, and begin again.

Today, he's on a path to stability and recovery,
a living picture of new life. These stories
happen because of you.

**Your prayers, gifts, and partnership make it
possible for hundreds of men, women, and
children in our community to experience God's
love in tangible ways.**

Thank you for standing with us and those who
need hope the most. Together, we are showing
the world what new life looks like.

In Christ,
Duke Paulson
